"Where You Get More of the Best for Less"

Most people believe there is a European war coming in much the same way as they believe they are going to die and yet don't really believe it.

Unselfishness will work when we work unselfishly.

There is close relationship between hard work, a light heart and a clear mind.

**SYMBOLS OF SAFETY**

When battles were fought with spears and swords, armour afforded a measure of protection. The Knight in Armour became a feudal symbol of safety. Then came gunpowder and suits of armour were only good for collecting dust. Is your present day method of saving obsolete too?

## NEWS NOTES

Mrs. Honnie Heninger motored a number of ladies to Cardston to attend a party given by Mrs. Burton for her sister Mrs. Roxie Robins.

Monday evening a family party was held at the home of Ellis Heninger for his son Jim when the guest of honor received a lovely leather brief case as a farewell gift.

A Mutual gathering of 4th ward officers and teachers was held Monday night when the group enjoyed many contest games in their get-together, under the direction of Dick Cooper and Jerome Platt. Prizes went to Ted Meeks, Jim Bridge and Athol Cooper.

"Boy, if I don't get rid of this cold soon, I'll be a dead one," moaned the jockey to the exercise boy.

"Didja do what the doctor said," asked the boy.

"Naw", replied the jockey. "The sign one his door said 10 to 1 and I wouldn't monkey with a long shot like that!"

"Who's the responsible man here?" asked the caller.

"If you mean the fellow that always gets the blame," answered the office boy, "you're speaking to him now."

Fighting wit heath other causes trouble. Fighting for each other solves it.

Uncle Jeff was telling about the death of a nephew who had never amounted to much.

"What was the complaint?" uncle Jeff was asked.

"Wuzn't no complaint," uncle Jeff answered. "Everybody was satisfied."

Lacy: Nobody will ever care for me. Jack: Don't say that, Lacy. After all, in this world there's a man for every woman. It's a wonderful arrangement.

Lacy: I don't want to change it—just want to get in on it.
